Rally registrations will be processed on a first-come, first-served basis. Field trips, seminars and special events have sold out in advance at previous Rallies, so please register as soon as possible to ensure your spot. When you register online you will receive an immediate confirmation of your registration. Do not make non-refundable travel reservations until you receive confirmation from the Alliance that you are registered. All registration questions can be directed to registration@lta.org. STANDARD CANCELLATION POLICY

Land Trust Alliance must receive your **written** (email is preferred) request for a refund for all Rally fees or a particular event by **Monday, October 2**. Refunds will not be considered after this date. Non-refunded payment for Rally events will not be credited toward any other service, product from, or contribution to the Alliance. Please recognize that there will be a **\$50** administrative fee for all changes and cancellations resulting after your initial registration. If for any reason Rally 2017 cannot be held, the Alliance will strive to refund registration fees if possible, depending on insurance claims honored and the cost of the vendor contracts. Otherwise, the Alliance will adhere to its standard cancellation policy. Refund requests should be directed to registration@lta.org.

ATTENDEE LIST OPT OUT

Every participant in our trainings receives a list of all other attendees that may include their name, title, organization, phone number and email address when they check in onsite. The list will also be available on the Rally app.

If you do not want to be included on this list, please check here.

Your attendance and participation in Rally events may be covered and your registration indicates consent to have any images or footage featuring you at Rally to be used for Land Trust Alliance-related materials and outreach. Should images or footage appear in marketing materials that you do not want to be featured in, you must notify the Alliance in writing and the Alliance will cease to further use your image(s) or footage for any new materials going forward.
