

Self-Certification and Acknowledgment of Alliance In-Person Meeting Policies and Commitment to Safety

The Land Trust Alliance is committed to your safety during its in-person events and we want you to be aware of the protocols and requirements for Alliance-hosted in-person events. **COVID-19 vaccination will be required for attendees and guests as well as masking when indoors in public spaces unless actively eating or drinking.** Alliance COVID-19 policies will be updated based on public health guidelines and restrictions that may be implemented or changed between now and when we convene. By signing this form, you acknowledge that you have read and will abide by the following policies and assess your health every day before attending an Alliance event. You also acknowledge and assume all of the risk of contracting COVID-19 at such in-person events and agree to hold the Alliance harmless.

By entering any Land Trust Alliance hosted in-person meeting you are agreeing that you will assess your health daily before and during the event. If you answer “Yes” to any of the health questions below, you will refrain from attending the event. Closer to the event start date, you will be asked to complete these screening questions via a legally compliant health management platform **and will be asked to provide proof of vaccination.**

Before attending an Alliance in-person event, you agree to assess your health daily by reviewing the following checklist of potential COVID-19 symptoms.

COVID-19 Daily Self-Checklist

- Do you have a fever (temperature over 100.3 degrees F)?
- Do you have a loss of smell or taste?
- Do you have a cough?
- Do you have muscle aches?
- Do you have a sore throat?
- Do you have congestion or runny nose?
- Do you have shortness of breath?
- Do you have a feeling of fatigue (extreme tiredness and an overall lack of energy)?
- Have you experienced any gastrointestinal symptoms such as nausea/vomiting or diarrhea?
- Have you recently taken a COVID-19 test and are awaiting results?
- Have you, or anyone you have been in close contact with, been diagnosed with COVID-19, or been placed on quarantine for possible exposure to COVID-19?
- Have you been asked to self-isolate or quarantine by a medical professional or a local public health official?

If I reply YES to any of the questions in the checklist, I agree that I will not attend the event.

By event start date, I certify that I will have been fully vaccinated against COVID-19 and will provide proof of vaccination. “Fully vaccinated” means it has been two weeks since receiving either 1) both doses of the Pfizer or Moderna vaccine, or 2) the single dose of the Johnson & Johnson vaccine.

All questions may be directed to training@lta.org.
