

# SITE RENEWABLES RIGHT

Accelerating a Clean and Green Energy Future

## Communities

Will this project create community benefits?

## Climate

Will this project maximize its carbon reduction potential?

## Conservation

Will this project avoid impacts to native wildlife and habitat?

RESOURCES TO SUPPORT  
SUSTAINABLE AND  
EQUITABLE  
CLEAN ENERGY GOALS

[nature.org/siterenewablesright](https://nature.org/siterenewablesright)

# We can have clean energy and wildlife if we plan ahead.
